FAQ's

What if I don't have a printer?

Copies of this form can be picked up in store prior to the 18th.

How will I get my money?

This is a cash only buy and sell, so you will receive the exact cash for any sold games.

Can I bring in games early/ pick up late?

Unfortunately we don't have the space to store games, so we can only have them here during the event. Any games that are left behind will be deemed donations and will go to our game library or a local thrift shop.

How many games can I bring in?

We have decided to cap it at 12 per customer this year. This will give everyone the opportunity to sell games and participate in the market.

Do you take a cut?

No, Quest takes no commission from sales. This is simply for the community to share amongst themselves.
